§ 1016.1 Purpose and policy.

(a) The Commission's policy is to make official records available to private litigants, to the fullest extent possible.

(b) The Commission's policy and responsibility is to conserve the time of its employees for work on Commission projects and activities. Participation of Commission employees in private litigation, in their official capacities, is generally contrary to this policy and responsibility. In addition, such participation could impair the effectiveness of Commission employees as witnesses in litigation in which the Commission is directly involved.

§ 1016.2 Definition.

Private litigation refers to any legal proceeding which does not involve the United States government, or any department or agency of the U.S. government, as a party.

§ 1016.3 Disclosure and certification of information and records.

(a) Identifiable information and records in the Commission's possession will be made available to private litigants in accordance with the Commission's Procedures for Disclosure or Production of Information under the Freedom of Information Act (16 CFR part 1015), the Freedom of Information Act (5 U.S.C. 552), sections 6 and 25(c) of the Consumer Product Safety Act (15 U.S.C. 2055 and 2074(c)), and any other applicable statutes or regulations.

(b) The Secretary of the Commission shall certify the authenticity of copies of Commission records. Requests must be in writing and must include the records to be certified. Requests should be sent to: Secretary, Consumer Product Safety Commission, Washington, DC 20207.

(c) Any subpoena duces tecum served on a Commission employee will be handled by the Office of the Secretary in conjunction with the Office of the General Counsel. Whenever necessary to prevent the improper disclosure of doc-

uments, the General Counsel will take steps, in conjunction with the Department of Justice, to quash such subpoenas or seek protective orders.

§ 1016.4 Testimony of Commission employees in private litigation.

(a) No Commission employee shall testify in his or her official capacity in any private litigation, without express authorization from the Commission's General Counsel. The Commission may, in its discretion, review a decision by the General Counsel to authorize such employee testimony. The General Counsel shall in such instances, where time permits, advise the Commission, on a no objection basis, of the authorization of such employee testimony.

(b) If any Commission employee is served with a subpoena seeking testimony in private litigation, he or she must immediately notify the Office of the General Counsel. The Office of the General Counsel, in conjunction with the Department of Justice, will (1) take steps to quash the subpoena or (2) direct the employee to appear in response to the subpoena but refuse to testify on the ground that it is prohibited by this section.

(c) If the General Counsel becomes aware of private litigation in which testimony by a Commission employee would be in the interests of the Commission, he or she may authorize such testimony, notwithstanding paragraph (b) of this section. The Commission may, in its discretion, review a decision by the General Counsel to authorize such employee testimony. The General Counsel shall in such instances, where time permits, advise the Commission, on a no objection basis, of the authorization of such employee testimony. Any such testimony must be provided in a way that minimizes the use of Commission resources as much as possible.

§ 1018.14 Non-Commission established advisory committees.

(a) To the extent practicable, the Commission shall utilize advisory committees already established by Federal, State, or local government or by private organizations, rather than establish a new advisory committee or expand the functions of an existing Commission advisory committee.

member may serve for only one consecutive full term. This subsection shall not be deemed to affect the term of appointment of any present member of an advisory committee in effect on the original effective date of this part, September 24, 1975.

(c) A vacancy that occurs during the term of an appointment normally will be filled by the Commission from the applications or nominations on file. Appointment to any such vacancy will be for the unexpired portion of the original appointment. Appointees to such an unexpired term may be reappointed for a full two-year term.

(d) Notwithstanding paragraphs (b) and (c) above, members of the Toxicological Advisory Board shall be appointed for terms of three years. Members may be reappointed for a subsequent three-year term. § 1018.26 Advisory functions.

(a) Unless otherwise specifically provided by statute, advisory committees shall be utilized solely for advisory functions.

(b) The Commission shall ensure that the advice and recommendations of advisory committees shall not be inappropriately influenced by the Commission, its staff, or by any special interest, but will be the result of the advisory committee's independent judgment.

§ 1018.27 Public participation.

(a) The Commission is committed to a policy of encouraging public participation in its activities and will hold all advisory committee meetings open to the public.

(b) The guidelines in section 8(c) of OMB Circular A-63 shall be followed in providing public access to advisory committee meetings.

(b) Advisory Committee documents shall be made available until the advisory committee ceases to exist. Disposition of the advisory committee documents shall be determined by the Secretary of the Commission at that time.

§ 1018.29 Appeals under the Freedom of Information Act.

Appeals from the denial of access to advisory committee documents shall be considered in accordance with the

§ 1018.31

Commission's Procedures for Disclosure or Production of Information under the Freedom of Information Act (16 CFR part 1015).

Subpart D—Administration of Advisory Committees

§ 1018.31 Support services.

Unless the statutory authority for a particular advisory committee provides otherwise, the Advisory Committee Management Officer shall be responsible for providing and overseeing all necessary support services for each advisory committee established by or reporting to the Commission. Support services include providing committee staff, meeting rooms, supplies, and funds, including funds for the publication of reports.

§ 1018.32 Compensation and travel expenses.

(a) A single rate of compensation will be offered to members of all advisory committees with the exception of government employees and those individuals whose company or organization prohibits such payment. This rate shall be \$100 per day for each day in attendance at the meeting and for each day of travel.

(b) The Commission shall determine per diem and travel expenses for members, staffs, and consultants in accordance with section 7(d) of the Advisory Committee Act and section 11 of OMB Circular No. A-63.

(c) Members of advisory committees, while engaged in the performance of their duties away from their homes or regular place of business, may be allowed travel expenses including per diem in lieu of expenses as authorized by 5 U.S.C. 5703.

§ 1018.33 Change of status.

Any advisory committee member who changes his or her affiliation or who assumes an additional affiliation, so as to actually or potentially affect his or her representational capacity on an advisory committee (upon which the member's application was based), shall immediately notify, in writing, the Advisory Committee Management Officer. Such notification shall include all relevant information concerning the

16 CFR Ch. II (1–1–01 Edition)

change in affiliation and a statement by the member expressing his or her opinion regarding the implications of such change. The notification and any other relevant information shall be evaluated by the Commissioners to determine the appropriateness of the member's continued membership on the advisory committee.

§ 1018.34 Conflict of interest.

Members of the Commission's statutory advisory committees are not legally subject to the standards of conduct and conflict of interest statutes and regulations applicable to Commission employees. However, it is important to avoid situations in which a member of an advisory committee has an actual or apparent conflict of interest between the member's private interests (or the interests of the member's organization) and the member's interest in properly performing his or her duties as an advisory committee member. To preclude any such actual or apparent conflict of interest, committee members shall be subject to the following guidelines:

(a) Committee members should not personally participate, either for themselves or on behalf of an organization, in negotiations, or the preparation of negotiations, for contracts with or grants from the Commission. Nor should committee members, either as an individual or on behalf of an organization, become personally involved in the performance of work under such a negotiated contract or grant awarded by the Commission. Committee members may participate in preparing bids for and performing work under advertised contracts where price is the single factor in the determination of award.

(b) Committee members should not become personally involved in the preparation or submission of a proposal to develop a safety standard or regulation under any of the Acts administered by the Commission.

(c) Committee members representing anyone in a professional capacity in a proceeding before the Commission should, pursuant to paragraph (e) and (f) of this section, advise the committee chairperson and the other members of the committee on which he or

Consumer Product Safety Commission

§ 1018.43

she serves of the representation prior to the committee's discussion regarding that proceeding. Where the chairperson of the committee determines that the representation involves a conflict or the appearance of a conflict of interest, the member will be asked to withdraw from the discussion of the proceeding. In circumstances where withdrawal from the committee's discussion or consideration of the matter is determined by the Commission to be insufficient to avoid a conflict or apparent conflict of interest, continued representation may be considered incompatible with membership on the committee.

(d) Committee members should exercise caution to ensure that their public statements are not interpreted to be official policy statements of the Commission.

(e) Committee members shall disclose to the committee chairperson and to the other members of the committee on which he or she serves, any special interest in a particular proceeding or matter then pending before the committee which in any way may affect that member's position, views or arguments on the particular proceeding or matter. The disclosure shall be made orally prior to the commencement of the discussion. "Special interest" is not intended to include a member's general interest in presenting a position, views, or arguments in his or her representational capacity.

(f) Where the chairperson of the committee determines that the disclosure referred to in paragraph (e) of this section reveals a conflict or apparent conflict of interest with respect to a member's involvement in the committee's consideration or discussion of a particular matter, the member will be asked to withdraw from the discussion of the matter.

(g) The provisions of paragraphs (a) and (b) of this section do not apply to state and local government officers and employees.

§ 1018.35 Termination of membership.

Advisory committee membership may be terminated at any time upon a

determination by the Commission that such action is appropriate.

Subpart E—Records, Annual Reports and Audits

§ 1018.41 Agency records on advisory committees.

(a) In accordance with section 12(a) of the Advisory Committee Act, the Advisory Committee Management Officer shall maintain, in the Office of the Secretary, records which will fully disclose the nature and extent of the activities of each advisory committee established or utilized by the Commission.

(b) The records shall include a current financial report itemizing expenditures and disclosing all funds available for each advisory committee during the current fiscal year.

(c) The records shall also include a complete set of the charters of the Commission's advisory committee and copies of the annual reports on advisory committees.

§ 1018.42 Annual report.

(a) The Advisory Committee Management Officer shall prepare an annual report on the Commission's advisory committees for inclusion in the President's annual report to Congress as required by section 6(c) of the Advisory Committee Act. This report shall be prepared and submitted in accordance with General Services Administration guidelines (39 FR 44814, December 27, 1974).

(b) Results of the annual comprehensive review of advisory committee made under § 1018.43 shall be included in the annual report.

§ 1018.43 Comprehensive review.

A comprehensive review of all Commission established or utilized advisory committees shall be made annually in accordance with section 10 of the GSA Circular No. A-63, as amended, and shall be submitted to the GSA Secretariat by November 30 of each year.

[41 FR 45882, Oct. 18, 1976, as amended at 46 FR 63249, Dec. 31, 1981]

§ 1018.61

Subpart F—Termination and Renewal

§ 1018.61 Statutory advisory committees.

A new charter shall be filed for each statutory advisory committee in accordance with section 9(c) of the Advisory Committee Act and § 1018.11 upon the expiration of each successive two-year period following the date of enactment of the statute establishing or requiring the establishment of the committee.

§ 1018.62 Non-statutory advisory committees.

(a) Each non-statutory advisory committee established by the Commission after the effective date of this part shall terminate not later than two years after its establishment unless prior to that time it is renewed in accordance with paragraph (c) of this section.

(b) Each non-statutory advisory committee which is renewed by the Commission shall terminate not later than two years after its renewal unless prior to that time it is again renewed in accordance with paragraph (c) of this section.

(c) Before a non-statutory advisory committee can be renewed by the Commission, the chairman shall inform the GSA Secretariat by letter not more than 60 days nor less than 30 days before the committee expires of the following:

(1) His or her determination that renewal is necessary and is in the public interest;

(2) The reasons for his or her determination;

(3) The Commission's plan to attain balanced membership of the committee, and;

(4) An explanation of why the committee's functions cannot be performed by the Commission or by another existing advisory committee.

(d) If the GSA Secretariat concurs, the Chairman shall certify in writing that the renewal of the advisory committee is in the public interest and shall publish notice of the renewal in

16 CFR Ch. II (1–1–01 Edition)

the FEDERAL REGISTER and shall file a new charter.
